I FINISHED RECOVERING AND CAME RIGHT AWAY IN THE

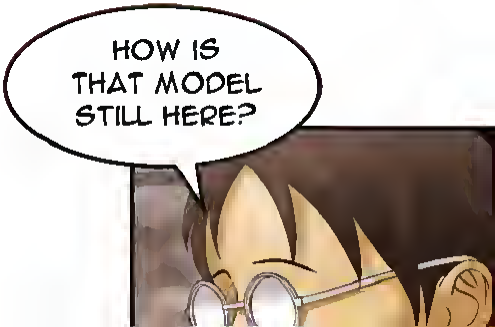
AIRBIKE CHAIRMAN HACKEY REPAIRED!
RRRRRRR
SUCCU!!

PUT HIM TO SLEEP.

I'LL ENTER HIS CONSCIENCE AND LOOK FOR CLUES!

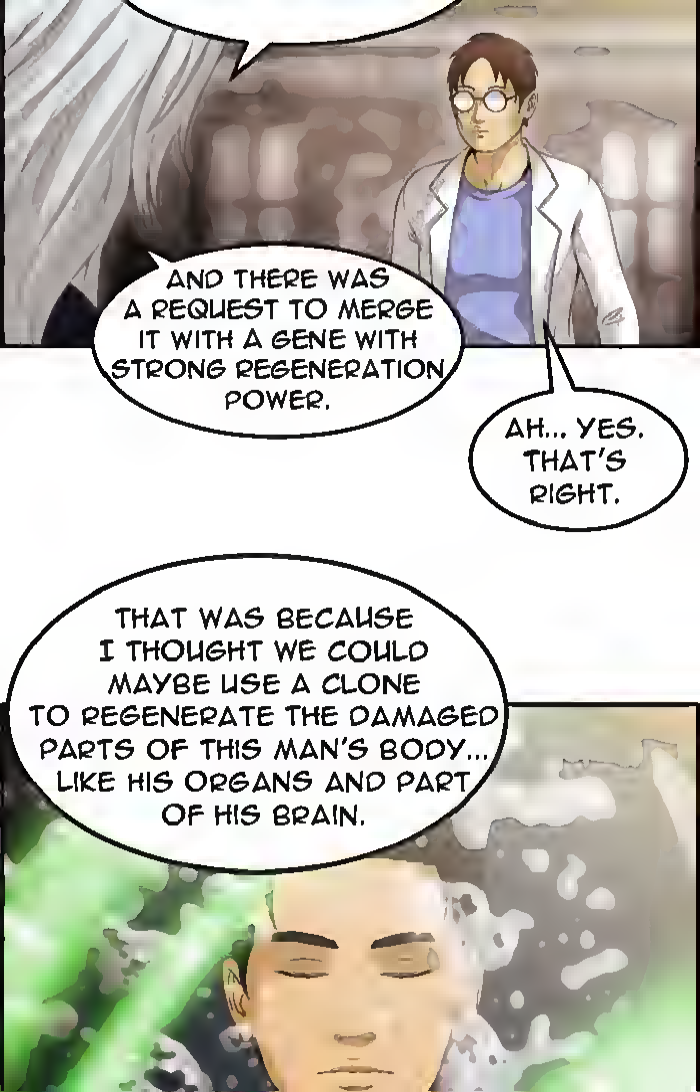
I DID AS DOCTOR MAX SAID BECAUSE I'M THE EXECUTIVE RESEARCHER.
I GET IT, JUST KEEP MOVING.

HUH??
A-ALEX?!



HOW IS THAT MODEL STILL HERE?

YOU WANT US TO SPARE YOUR LIFE? THEN LISTEN CAREFULLY.
THERE IS ONLY ONE WAY THAT YOU CAN GET OUT OF HERE ALIVE.
I PROVIDED THE DNA THAT BECAME THE BASE OF THAT ALEX.

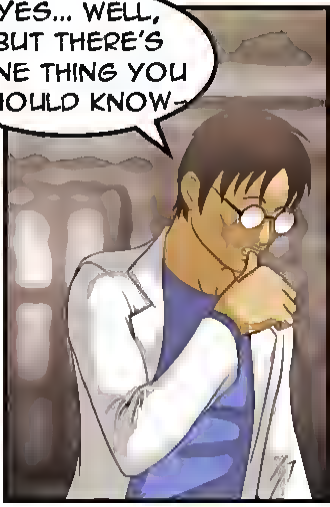


AND THERE WAS A REQUEST TO MERGE IT WITH A GENE WITH STRONG REGENERATION POWER.
AH... YES. THAT'S RIGHT.
THAT WAS BECAUSE I THOUGHT WE COULD MAYBE USE A CLONE TO REGENERATE THE DAMAGED PARTS OF THIS MAN'S BODY... LIKE HIS ORGANS AND PART OF HIS BRAIN.

MAKING THAT POSSIBLE WILL BE THE ONLY WAY FOR YOU TO SAVE YOURSELF.
TH-THAT IS... ABSOLUTELY POSSIBLE! I WILL MAKE IT HAPPEN AS SOON AS POSSIBLE!!
GOOD! THEN WE SHOULD MOVE

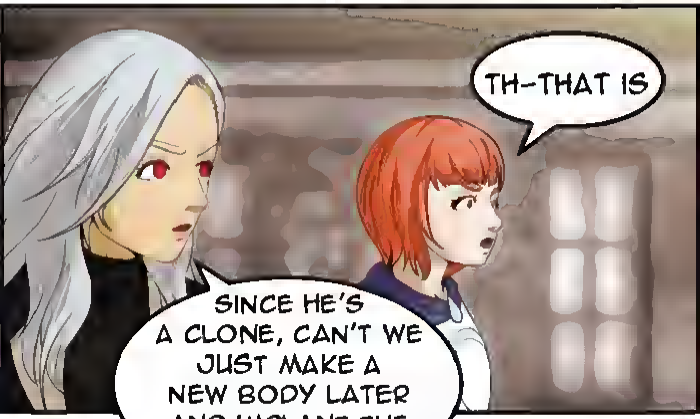
RESEARCH LAB?

YES... WELL, BUT THERE'S ONE THING YOU SHOULD KNOW-

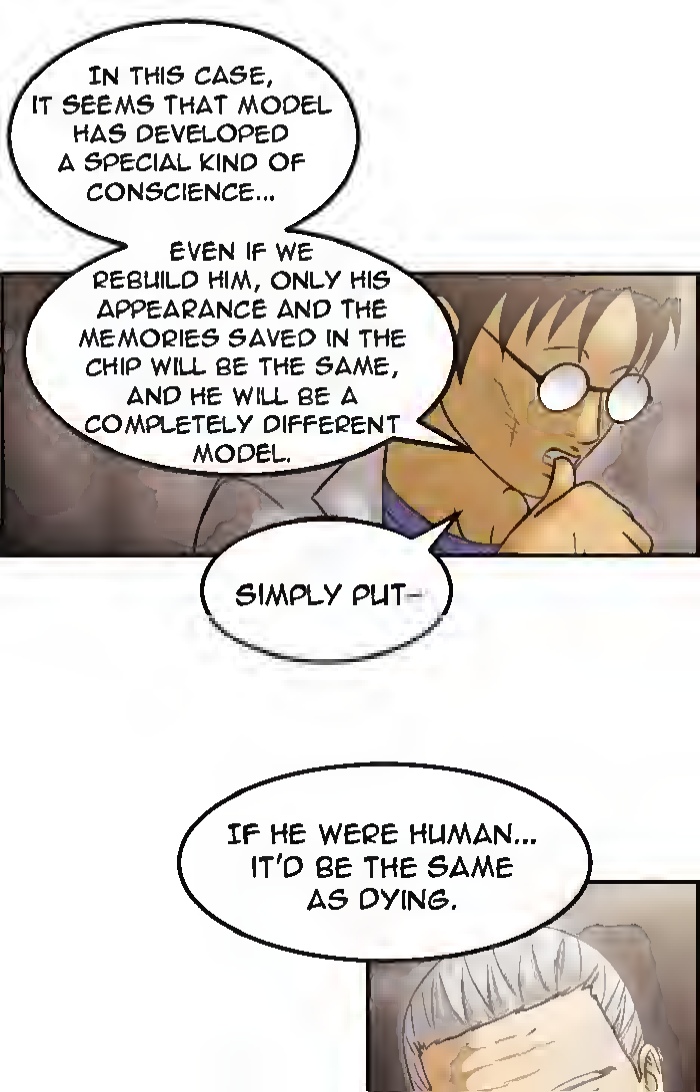


IF THERE'S ANY IMPORTANT DATA ON THAT ALEX MODEL,

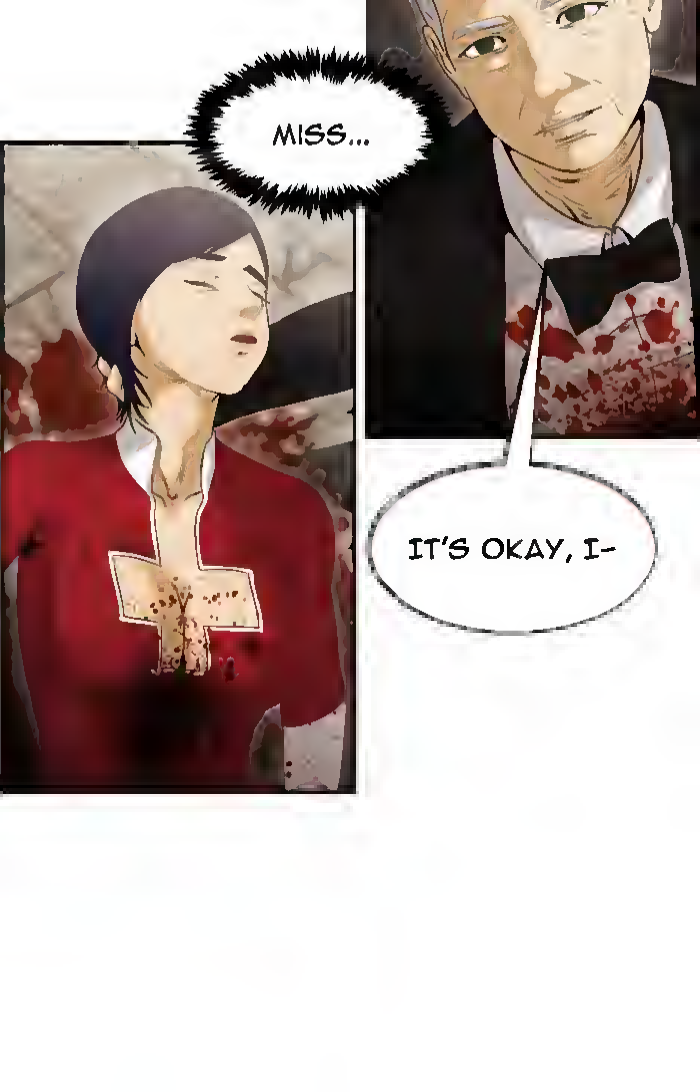
YOU HAVE TO BACK IT UP FIRST.
IT TAKES A LONG TIME TO GROW NEW CELLS, SO WE'LL TAKE ALEX APART DOWN TO THE CELLULAR LEVEL AND RE-INTEGRATE THEM TOGETHER.
IN OTHER WORDS, THAT ALEX MODEL WILL BE GONE COMPLETELY.



AH... IT MAY BE COINCIDENCE OR JUST THE CASE OF SOME CLONES WITH ARTIFICIAL INTELLIGENCE, BUT SOME END UP HAVING VERY STRONG CONSCIENCE OF THEIR OWN.



IN THIS CASE, IT SEEMS THAT MODEL HAS DEVELOPED A SPECIAL KIND OF CONSCIENCE...
EVEN IF WE REBUILD HIM, ONLY HIS APPEARANCE AND THE MEMORIES SAVED IN THE CHIP WILL BE THE SAME, AND HE WILL BE A COMPLETELY DIFFERENT MODEL.
SIMPLY PUT-
IF HE WERE HUMAN... IT'D BE THE SAME AS DYING.



MISS...
IT'S OKAY, I-

BAM
ARGH!!

WHAT'RE YOU FUCKING RATS UP TO
I'M TAKING DARKSLUG
